§ 955.15

(2) In cases proceeding under the ACCELERATED procedure, the parties are encouraged, to the extent possible consistent with adequate presentation of their factual and legal positions, to waive pleadings, discovery, and briefs. The Board, in its discretion, may shorten time periods prescribed elsewhere in these Rules as necessary to enable the Board to decide the appeal within 180 days after the Board has received the appellant's notice of election of the ACCELERATED procedure, and may reserve 30 days for preparation of the decision.

(3) Written decisions by the Board in cases processed under the ACCELERATED procedure will normally be short and contain only summary findings of fact and conclusions. Decisions will be rendered for the Board by a single Administrative Judge with the concurrence of the Chairman or Vice Chairman or other designated Administrative Judge, or by a majority among these two and an additional designated member in case of disagreement. Alternatively, in cases where the amount in dispute is \$50,000 or less as to which the accelerated procedure has been elected and in which there has been a hearing, the single Administrative Judge presiding at the hearing may, with the concurrence of both parties, at the conclusion of the hearing and after entertaining such oral arguments as he deems appropriate, render on the record oral summary findings of fact, conclusions, and a decision of the appeal. Whenever such an oral decision is rendered, the Board will subsequently furnish the parties a typed copy of such oral decision for record and payment purposes and to establish the date of commencement of the period for filing a motion for reconsideration under § 955.30.

(e) Motions for Reconsideration in Cases Arising Under § 955.13. Motions for Reconsideration of cases decided under either the small claims (expedited) procedure or the accelerated procedure need not be decided within the time periods prescribed by this § 955.13 for the initial decision of the appeal, but all such motions shall be processed and decided rapidly so as to fulfill the intent of this section.

(f) Except as herein modified, the rules of this part 955 otherwise apply in all aspects.

§ 955.14 Settling the record.

(a) The record upon which the Board's decision will be rendered consists of the appeal file described in § 955.5, and to the extent the following items have been filed, pleadings, prehearing conference memoranda or orders, prehearing briefs, depositions or interrogatories received in evidence, admissions, stipulations, transcripts of conferences and hearings, hearing exhibits, posthearing briefs, and documents which the Board has specifically designated be made a part of the record. The record will at all reasonable times be available for inspection by the parties at the office of the Board.

(b) Except as the Board may otherwise order in its discretion, no proof shall be received in evidence after completion of an oral hearing or, in cases submitted on the record, after notification by the Board that the case is ready for decision.

(c) The weight to be attached to any evidence of record will rest within the sound discretion of the Board. The Board may in any case require either party, with appropriate notice to the other party, to submit additional evidence on any matter relevant to the appeal.

§ 955.15 Discovery—depositions.

(a) *General policy and protective orders.* The parties are encouraged to engage in voluntary discovery procedures. In connection with any deposition or other discovery procedure, the Board may make any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, and those orders may include limitations on the scope, method, time and place for discovery, and provisions for protecting the secrecy of confidential information or documents.

(b) *When depositions permitted.* After an appeal has been docketed and complaint filed, the parties may mutually
